**Subject:** Re: Reporting retaliation

Dear [REDACTED]

This email is confirming your submission of a complaint of retaliation. Since the complaint is against me, I have forward the matter to Mr. Robert Solomon, Vice President for Inclusion, Diversity, and Equal Opportunity. Someone from his office will be in touch with you.

Sincerely,

Dr. Parker

Good afternoon.

I have been the subject of retaliation from Dr. Parker and Dr. Ricanati. Dr. Parker and Dr. Ricanati have threatened to discipline me for "inappropriate conduct." At the same time, they have refused to investigate statements online against me that are harassing and unprofessional. I believe this has been done because they are unhappy with the result of a school disciplinary hearing and that I have been retaliated against because I participated in a Title IX process.
